

Lights Out RGV!

SPRING MIGRATION DATES: APRIL 15TH – MAY 6TH

Homeowners are asked to pledge the following between April 15 – May 6, between the hours of midnight and 6 AM:

- Turn off unnecessary outdoor lighting, such as decorative lighting and lights aimed upwards
- Reduce interior lighting at night by drawing blinds, using task lighting, and turning off lighting when exiting a room
- Use only downward facing or shielded lights

Please note: The Center for Urban Ecology only asks for your physical address so we can map locations that have signed up to participate. We will not publish participants' addresses nor will we share your address with anyone outside of our organization.
